Starting in 1998 through 2004 additional certificates were awarded because of foreign athletes.

The CGA has stipulated that starting in 1938 and running through 2004 the top 6 finishers in each event would be All Americans.

Starting in 2005 the top 8 would be All Americans.

Note: In the original list for 1975 Pete Studenski was correctly listed 5th on SR, but he was originally listed as representing BYU and he was in fact from Nebraska.

If the NCAA did not give awards for events (examples: Still Rings, Floor Exercise, Vault) then All American status could not be awarded.

Items in red reflect NCAA infractions committee vacating these positions, in 1987, 1988 and 1989.

Due to a 2014 ruling, by the CGA, the vacated positions, referred to above, will be filled by declaring additional All Americans for those positions vacated. This ruling specifically applies to those gymnasts who finished in 7th place and, in some instances, 8th place, in those events affected (items in green).

1965: Jim Selby 6th on Vault was originally listed as representing Iowa and it should have been Iowa State. 1962 Gene Hart-PH-originally listed as representing Navy, but should be Nebraska. Andrew Elkind, Michigan-PB-2007 name misspelled in original.

In December of 2015, several corrections were made, mostly in the spelling of first and/or last names. Those are in red also. These corrections were made possible by Dave Thor (Michigan State-1968) with his meticulous and in depth research.
